JT Automotive

To all members of the Spiece Fitness family occasionally, we highlight local business partners that we'd like to share with you. We'd like to present JTS Automotive this month. JTS has been in operation for 25 years. JTS Automotive is already well-known to a large number of our members. JTS is a family-run business. They do mechanical repairs on almost any make or model. There's something for everyone, from Acura to Volkswagen. If you only need an oil change, JTS can assist you. They can also do engine overhauls.

Why have we chosen to highlight JTS Automotive?

Because JTS Automotive, like Spiece, is here to assist you. They are fair; they repair just what is necessary. JTS recognizes that given the state of the economy, you need a repair business you can trust. JTS is a repair company that you can confidently refer a friend or family to.

When you're ready for an oil change, tire replacement, or just someone to look at an issue, contact JTS Automotive at 260-471-6475 or visit their website, JTSAuto.com. We appreciate you taking the time to learn about one of our local partners and remind you that you are more than a Fitness Member; you are a Spiece Family member!

Contact Information

Do we have your current email address and cell phone number?

We don't have exact dates for a lot of the upcoming construction to start around June but we will give as much notice as possible. We'll announce updates on our website, social media, in-house flyers, text and email messaging to keep you informed. Please email info@spiecefitness.com if you have any comment or concerns.
